**Do You Want A Traditional Tattoo,
Or Do You Want Something More Modern?**

 Machine Tattoo Tattoo shops are known for the distinct buzzing sound produced by coil machines. These machines, also known as tattoo guns, are hand-held devices used to apply permanent ink to the skin. There are several types of tattoo machines available, including coil machines, rotary machines, and pneumatic machines. Each type has its own unique characteristics and is used for specific tattooing techniques.	 Sak Yant Tattoo Sak Yant, also known as Bamboos Tattoos, are designs that hold significant spiritual meaning. The word "sak" means "to tattoo" or "to tap" and "yant" represents "energy," which is a type of mystical diagram. These tattoos are believed to provide protection against death and harm, as well as bring good fortune, strength, and power to the wearer.	 Custom Artwork At Thai studio, we cater to the unique requirements of each client. We strive for complete satisfaction with our designs before proceeding with the tattooing process. With years of experience, we have a keen understanding of the types of tattoos that are likely to be cherished, and the ones that may cause regret.
---	--	---

At Thai Art Tattoo Studio, we are renowned for being the premier tattoo shop in Bangkok. Our team comprises of highly skilled and professional tattoo artists who are proficient in utilizing various tattoo machines, from traditional coil drives to modern rotary pens. We carefully select the appropriate machine based on the design style to achieve the optimal results. We have a diverse range of styles and designs available for every type of customer. Whether you prefer classic, black and grey, watercolor, hyper-realistic, or neo-traditional, we have an artist who specializes in that specific style.

Thai Art Tattoo Studio

Traditional Thai Tattoo Studio In Koh Tao

BOOK AN APPOINTMENT

Koh Tao #1 Tattoo Studio

Get Inked By The Best Artists In Thailand.

The Thai Art Tattoo Studio on the secluded island of Koh Tao has been a family-run business for over a decade. The studio was founded by Pui, who is now joined by his college buddy Pepe, a bamboo tattoo master, to offer a wide range of affordable tattoos. Fiona, Pui's wife, has been a part of the team since 2005 and Ong has been with the team since 2010. At Thai Art Tattoo Studio, we believe in providing customers with the highest quality tattoos and ensuring that each one is done correctly from the start. Our team of talented and professional tattoo artists can create nearly any design and offer exceptional, five-star service.

your personal guide into the world of Sak Yant

Sak yant is a kind of tattoo given by Buddhist masters that believed mystical powers performed in Thai Buddhism, different types and designs of Sak Yant are perceived to offer protection and fortune for the wearers.

"Sa" "Sak" means "tattoo," and "yant" means yantra, a mystical diagram found throughout Dharmic religions. These tattoos draw inspiration from Buddhist, Brahman, and animist imagery, and incorporate sacred "Sak" means "tattoo," and "yant" means yantra, a mystical diagram found throughout Dharmic religions.

They are believed to have originated in the Khmer Empire, which existed from the 9th to the 15th centuries and covered parts of modern-day Thailand, Cambodia, Laos, and Vietnam. The popularity of Sak Yant Tattoos grew, and they became an integral part of the culture and traditions of Southeast Asia.

There are many amazing stories of sak yant since ancient times, particularly during the Ayutthaya period, when Thailand was fighting the Burmese. Their tattoos apparently forewarned them of danger and protected them from death.
